This transfer guide is intended for students enrolled in the Merritt College and University of Phoenix Concurrent Enrollment Program (CEP). Students who are not enrolled in the Merritt College and University of Phoenix Concurrent Enrollment Program (CEP) should seek advisement from their respective institution if interested in the transferability of other programs.

University of Phoenix Associate Degree in Nursing Block Transfer Policy

*Effective for new students applying to University of Phoenix on or after 07/01/2017, students transferring to University of Phoenix into an undergraduate RN to BSN program, with a previously completed Associate of Arts or Associate's Degree in Nursing from an institution that is accredited by an approved institutional accrediting body, will be considered as satisfying their lower division general education and elective credits.

***identifies courses to be taken in a non-degree admission status prior to admission into the BSN 016 program.

IMPORTANT: This summary is an estimation of credits only based on the current catalog and degree program requirements. Actual credit may vary based on each individual student's submission. Concentrations are reflected on the transcript only. All courses that apply to an Associate's degree transfer to the University of Phoenix with the exception of remedial or vocational courses. Courses must have received a grade of C- or higher to transfer.

NOTE: The Bachelor of Science in Nursing and Master of Science in Nursing programs at University of Phoenix are accredited by the Commission on Collegiate Nursing Education, 655 K Street, NW, Suite 750, Washington, DC 20001, 202-887-6791. <http://www.aacn.nche.edu/ccne-accreditation>
